Definitions

WORM: e Learning Revolution for All (ERA) is an evidence based learning framework which is designed to help students learn and understand the concepts of e Content.

1) Inform Type: Multimedia Content / e Content based on Subject Content, Mathematics, English, Science, etc.

2) Perform Type: Evaluative Questionnaire/choice questions per subject. As there are group of four standard students, the answer is shown with feedback. The submission of answer by the student is subject contains 100 objection from the other three students and the answer gets confirmation from the other three students and the answer provided gets confirmation from the other three students. The next question is asked to the second student and the answer provided gets confirmation from the other three students.
